Dear Latia,

Thank you and Developing Minds Child Care so much for your very kind contribution in support of the children and families that we serve. Your donation of assorted toys for our Johns Hopkins families is greatly appreciated. Please note that this letter is your receipt for tax purposes.

Your gift creates a wonderful opportunity for us to continue the fulfillment of our Believe In Tomorrow mission. It enables us to grow and reach more critically ill children with our award-winning programs that help families navigate the stressful world of lengthy medical treatments and hospital stays. We believe in keeping families together during a child's medical crisis, and that the gentle cadence of normal family life has a powerful influence on the healing process. Your support makes that possible.

We greatly appreciate you and your partnership in our mission. And we hope that your year is filled with peace, good health, and happiness.

With Gratitude,

Brian R. Morrison
President/Founder
